)

ADMINISTRATIVE ORDER ON CONSENT

**I. JURISDICTION**

1. This Administrative Order on Consent ("Consent Order") is issued pursuant to the authority vested in the President of the United States by Section 122(g)(4) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986 ("CERCLA"), Pub. L. No. 99-499, 42 U.S.C. § 9622(g)(4), to reach settlements in actions under Section 106(a) or 107(a) of CERCLA, 42 U.S.C. § 9606(a) or § 9607(a). The authority vested in the President has been delegated to the Administrator of the United States Environmental Protection Agency ("EPA") by Executive Order 12580, 52 Fed. Reg. 2923 (Jan. 29, 1987), and further delegated to the Regional Administrators of the EPA by EPA Delegation No. 14-14-E (issued Sept. 13, 1987, amended by memorandum June 17, 1988). This Consent Order is also issued pursuant to the authority vested in the Indiana Department of Environmental Management ("IDEM") by the Indiana Environmental Management Act, Ind. Code § 13-7-1-1 et seq.

2. Each Respondent agrees to undertake all actions required by the terms and conditions of this Consent Order. This Consent Order was executed by the EPA, IDEM, and the Respondents in good faith to avoid the expense and delay of litigation over the matters addressed by this Consent Order. Each Respondent further consents to and will not contest the jurisdiction of EPA

or IDEM to issue this Consent Order or to implement or enforce its terms.

3. The EPA, IDEM, and the Respondents agree and intend that the participation of the Respondents in this Order shall not be considered an admission of liability and shall not be admissible as evidence against the Respondents in any judicial or administrative proceeding other than a proceeding by the United States to enforce this Order or a judgment relating to it. Further, the Respondents do not admit and do retain the right to controvert in any subsequent proceedings, other than proceedings to implement or enforce this Consent Order, the validity of the Statement of Facts or Determinations contained in this Consent Order.

## II. DEFINITIONS

4. Unless otherwise expressly provided herein, terms used in this Consent Order that are defined in CERCLA or in regulations promulgated under CERCLA shall have the meaning assigned to them in the statute or regulations. Whenever the terms listed below are used in this Order, including the attached appendices, the following definitions shall apply:

A. "Consent Order" or "Order" shall mean this "Administrative Order on Consent" and all appendices attached hereto. In the event of conflict between the text of this Order and any appendix, the text of this Order shall control.

B. "IDEM" shall mean the Indiana Department of Environmental Management and any successor departments or agencies.

C. "Parties" shall mean the EPA, IDEM, and the Respondents.

D. "Record of Decision" or "ROD" shall mean the EPA Record of Decision for the remedial action to be implemented at the American Chemical Services Site, signed on September 30, 1992, by the Regional Administrator of EPA, Region 5, including any changes and all attachments thereto.

E. "Respondent" or "Respondents" shall mean those persons, corporations, and other entities listed in Appendix 1 who have timely executed this Order and made the payments required under this Order in compliance with the terms set forth in either paragraph 26 or 27 of this Order.

F. "Response Costs" shall mean all costs incurred and to be incurred by any person at the American Chemical Services Site for all response actions taken and to be taken, upon EPA's direction, by any person at the Site.

G. "State" shall mean the State of Indiana.

H. "Site" shall mean the American Chemical Services site in Griffith, Indiana, where hazardous substances were released or have come to be located, as shown generally on the map attached as Appendix 2. The Site, which is described in the ROD, encompasses approximately 36 acres and includes: 1) the American Chemical Services ("ACS") facility located at 420 S. Colfax Avenue, Griffith, Lake County, Indiana; 2) the former Kapica Drum, Inc./Pazmey Corporation property, located adjacent to the

ACS facility; and 3) the inactive portion of the Town of Griffith Landfill located adjacent to the ACS facility.

I. "United States" shall mean the United States of America, its agencies, departments, and instrumentalities.

III. STATEMENT OF PURPOSE

5. By entering into this Consent Order, the mutual objectives of the Parties are:

a) to reach a final settlement among the EPA, IDEM, and the Respondents that allows the Respondents to make a cash payment including a premium to settle their alleged liabilities for all response costs incurred or that may be incurred at or in connection with the Site, in exchange for contribution protection and a covenant not to sue as to civil liabilities in connection with the Site, thereby avoiding difficult, prolonged, and complicated litigation in connection with the Site;

b) to simplify the remaining enforcement activities concerning the Site;

c) to obtain settlement with the Respondents for at least their fair share of response costs incurred by the United States of America and the State; and

d) to reduce, pursuant to CERCLA Section 122(g)(5), the alleged potential liabilities of the remaining potentially responsible parties in connection with the Site, but without waiving EPA's and IDEM's assertion of joint and several liability against such parties, including those who either are ineligible to or do not participate in this settlement.

**IV. PARTIES BOUND**

6. This Consent Order shall apply to and be binding upon the EPA, IDEM, and each Respondent, and their successors. Each signatory to this Consent Order represents that he or she is fully authorized to enter into the terms and conditions of this Consent Order and to legally bind the party represented by him or her. Any change in ownership or corporate status of a Respondent, including, but not limited to, any transfer of assets or real or personal property, shall in no way alter such Respondent's payment responsibilities under this Order.

**V. STATEMENT OF FACTS**

7. The Site, as defined in the ROD and in Section II, paragraph H, above, is located at and near 420 South Colfax Avenue, Griffith, Lake County, Indiana.

8. The United States Fish and Wildlife Service has identified two wetlands areas in the ACS watershed, a 29-acre area north of the C&O railroad grade, and another 5-acre area south of the railroad grade. These wetlands areas are within the Site as defined herein.

9. Hazardous substances within the definition of Section 101(14) of CERCLA, 42 U.S.C. § 9601(14), have been or are threatened to be released into the environment at or from the Site. Various volatile organic compounds, polychlorinated biphenols (PCBs) and heavy metals are present in soils at the Site; and benzene, ethyl benzene, toluene, and xylene, are present in the upper groundwater aquifer at the Site.

10. Pursuant to Section 105 of CERCLA, 42 U.S.C. § 9605, EPA placed the Site on the National Priorities List (NPL), set forth at 40 C.F.R. Part 300, Appendix B, by publication in the Federal Register in September 1984.

11. In 1988, under an Administrative Order on Consent, certain parties performed a Remedial Investigation/Feasibility Study ("RI/FS") for the Site pursuant to 40 C.F.R. § 300.430. The RI/FS was completed and reported in 1992.

12. In response to a release or a threat of a release of a hazardous substance or substances at or from the Site, response costs of \$3,029,953.56 have been incurred; see Appendix 3, incorporated herein by reference.

13. Information contained in the administrative record for this settlement indicates that each Respondent listed on Appendix 1 to this Consent Order, incorporated herein by reference, arranged for disposal or treatment, or arranged with a transporter for disposal or treatment of a hazardous substance owned or possessed by such Respondent at the Site.

14. In accordance with Section 122(g)(1)(A) of CERCLA, 42 U.S.C. § 9622(g)(1)(A), information contained in the administrative record for this settlement indicates that the amount of hazardous substances contributed to the Site by each Respondent is minimal and does not exceed 0.8% of the hazardous substances at the Site. The toxic or other hazardous effects of the substances contributed by each Respondent to the Site do not contribute disproportionately to the cumulative toxic or other

hazardous effects of the waste at the Site. Based on information contained in the administrative record for this settlement, Appendix 4 lists the volume of the waste contributed to the Site by each Respondent and the settlement amount applicable to each Respondent, and is incorporated herein by reference. In its discretion, EPA may adjust the amount and manner of payment specified in Appendix 4 for a Respondent, in light of relevant information brought to EPA's attention by such Respondent.

15. In developing and evaluating the settlement embodied in this Consent Order, EPA has considered the potential costs of remediating contamination at or in connection with the Site, past response costs incurred at or in connection with the Site, possible cost overruns in completing the remedial action, the time-value of money, possible future costs if the remedial action selected in the ROD is not protective of public health or the environment, and any potential orphan shares associated with the Site.

16. Payment required to be made by each Respondent pursuant to this Consent Order is a minor portion of the total response costs at the Site.

## VI. DETERMINATIONS BY EPA

Based upon the Statement of Facts set forth above and on the administrative record for this settlement, EPA and IDEM have determined that:

17. The ACS Site is a "facility" as that term is defined in Section 101(9) of CERCLA, 42 U.S.C. § 9601(9).

18. Each Respondent is a "person" as that term is defined in Section 101(21) of CERCLA, 42 U.S.C. § 9601(21).

19. Each Respondent is a "potentially responsible party" within the meaning of Section 122(g)(1) of CERCLA, 42 U.S.C. § 9622(g)(1).

20. There has been an actual or threatened "release" of a hazardous substance from the Site, as that term is defined in Section 101(22) of CERCLA, 42 U.S.C. § 9601(22).

21. Prompt settlement with the Respondents is practicable and in the public interest within the meaning of Section 122(g)(1) of CERCLA, 42 U.S.C. § 9622(g)(1).

22. This Consent Order involves only a minor portion of the response costs at the Site with respect to each Respondent pursuant to Section 122(g)(1) of CERCLA, 42 U.S.C. § 9622(g)(1).

23. The amount of hazardous substances contributed to the Site by each Respondent and the toxic or other hazardous effects of the hazardous substances contributed to the Site by each Respondent are minimal in comparison to other hazardous substances at the Site pursuant to Section 122(g)(1)(A) of CERCLA, 42 U.S.C. § 9622(g)(1)(A).

**VII. ORDER**

24. Based upon the administrative record for this settlement and the Statement of Facts and Determinations set forth above, and in consideration of the promises and covenants set forth herein, it is hereby AGREED AND ORDERED:

Payment by Respondents

25. Respondent-established Account. By executing this Consent Order, Respondents will simultaneously be entering into a trust fund agreement ("Trust") to receive their settlement payment. The trustee or manager of the Trust agreement shall pay the aggregate of those payments ("sum") to EPA, along with an accounting that identifies Trust expenses and the amount contributed by each Respondent to the sum paid to EPA. In the event of any conflict between the terms of the Trust and this Order, the terms of this Order shall prevail.

Interest realized by the Trust may be used to defray the costs of establishing and administering the Trust, including paying the trustee. Interest received in excess of the costs of establishing and administering the Trust shall be paid to EPA prior to the termination of the Trust in the manner set forth in paragraph 26 below.

26. Timely payment. Within thirty (30) days of the effective date of this Consent Order, each Respondent shall pay to and have caused the Trust to have received from the Respondent the full amount for that Respondent set forth in Appendix 4 to this Order.

Within sixty (60) days after the effective date of this Order, the Trustee shall pay and have caused IDEM to receive the first \$46,190.86 received by the Trust, and EPA to receive a sum equal to all remaining payments received under this paragraph by the Trust, as described in paragraph 25. The Trustee shall also send to EPA an accounting for the sum submitted that specifies: (i) each Respondent who made payment under this paragraph to the Trust, (ii) the amount paid by each Respondent, (iii) the date of payment, (iv) the payment specified for each Respondent in Appendix 4, and (v) the reference number listed in Appendix 4. Payment of the sum by the Trustee shall be effected by certified or cashier's check made payable to the "EPA Hazardous Substance Superfund, CERCLA Number J7, DOJ Case Number 90-11-3-1094A," and sent to:

U. S. Environmental Protection Agency Region 5  
Attn: Superfund Accounting  
P.O. Box 70753  
Chicago, Illinois 60673.

A copy of this check shall also be simultaneously sent by the Trustee to:

Steve Siegel  
ACS De Minimis Payment  
U. S. Environmental Protection Agency Region 5  
Mail Code CS-3T  
77 West Jackson Boulevard  
Chicago, Illinois 60604.

27. Late Payment. If a Respondent fails to make timely payment under paragraph 26 of this Order, such Respondent may elect to participate in this Order by paying and causing the Trust to have received within seventy-five (75) days after the

effective date of this Order one-hundred-five percent (105%) of the amount set forth in Appendix 4 for the Respondent.

Within eighty-five (85) days after the effective date of this Order, the Trustee shall pay to the EPA a sum equal to all payments received under this paragraph by the Trust. The Trustee shall also send to EPA an accounting for the sum submitted that specifies: (i) each Respondent who made payment under this paragraph to the Trust, (ii) the amount paid by each Respondent, (iii) the date of payment, (iv) the amount specified for each Respondent in Appendix 4, and (v) the rank number listed in Appendix 4. Payment of the sum by the Trust shall be effected by certified or cashier's check made payable to the "EPA Hazardous Substance Superfund, CERCLA Number J7, DOJ Case Number 90-11-3-1094A," and sent to:

U. S. Environmental Protection Agency Region 5  
Attn: Superfund Accounting  
P.O. Box 70753  
Chicago, Illinois 60673.

A copy of this check shall also be simultaneously sent by the Trustee to:

Steve Siegel  
ACS De Minimis Payment  
U. S. Environmental Protection Agency Region 5  
Mail Code CS-3T  
77 West Jackson Boulevard  
Chicago, Illinois 60604.

28. Participation. Subject to reversal only by EPA in its unreviewable discretion, if any Respondent fails to make full payment to the Trust under the requirements of paragraph 26 or 27 of this Order, such Respondent is thereby disqualified.

from any participation in this Order. EPA, in its unreviewable discretion, may amend this Order to include Respondents who qualify as de minimis parties. Such amendment may be made based on, among other things, volumetric errors in Appendix 4, ability to pay determinations made by EPA, or lack of notice of the opportunity to participate in this settlement. The manner of payment by these additional parties shall be determined by EPA.

29. EPA intends to establish a CERCLA special account for the ACS site into which money received by this settlement in amounts in excess of past costs will be placed. EPA, in its unreviewable discretion and to the extent permitted by law, shall determine the use of funds in this account.

Civil Penalties

30. In addition to any other remedies or sanctions available to EPA, any Respondent who fails or refuses to comply with any term or condition of this Consent Order, except for paragraphs 25 through 28, shall be subject to a civil penalty of up to \$25,000 per day for such failure or refusal pursuant to Section 122(1) of CERCLA, 42 U.S.C. § 9622(1).

Certification of Settling Respondents

31. Each Respondent certifies individually that, to the best of its knowledge and belief, it has conducted a thorough, comprehensive, good faith search for documents and has fully and accurately disclosed to EPA all information currently in its possession, or in the possession of its officers, directors, employees, contractors or agents, which relates in any way to the

ownership, operation, generation, treatment, transportation, storage or disposal of hazardous substances at or in connection with the Site. Each Respondent further certifies, individually, that it has not altered, mutilated, discarded, destroyed or otherwise disposed of any records, documents, or other information relating to its potential liability regarding the Site since notification of potential liability or the filing of a suit against Respondent regarding the Site and that it has fully complied with any and all EPA requests for information pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of the Resource Conservation and Recovery Act, as amended, 42 U.S.C. § 6927. Each Respondent further certifies that it has never owned or operated any portion of the Site for any purpose. Provision of false, fictitious, or fraudulent statements or representations to the United States may subject a Respondent to criminal penalties under 18 U.S.C. §1001.

Covenants Not to Sue by EPA and IDEM

32. Upon a Respondent's payment of the amount required in compliance with paragraph 26 or 27 of this Order and upon EPA's receipt of that amount as part of the sum to be paid EPA by the Trustee pursuant to paragraphs 25 through 27 of this Order, and except as specifically provided in paragraphs 33 through 35 of this Consent Order, EPA covenants not to sue or take any other judicial, civil, or administrative action against that Respondent for matters addressed in this Consent Order. Matters addressed shall include any and all civil liability for reimbursement of

response costs pursuant to Sections 106(a) and 107(a) of CERCLA, 42 U.S.C. §§ 9606(a), 9607(a), and Section 7003 of the Resource Conservation and Recovery Act, as amended 42 U.S.C. § 6973, relating to the Site for matters addressed by this Consent Order.

Upon a Respondent's payment of the amount required in compliance with paragraph 26 of this Order and upon IDEM's receipt of the amount specified in paragraph 26 of this Order, and except as specifically provided in paragraphs 32 through 34 of this Consent Order, IDEM covenants not to sue or to take any other judicial, civil, or administrative action against that Respondent pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), and applicable state statutory or common law, relating to the Site for matters addressed by this Consent Order.

These covenants not to sue shall take effect with respect to each Respondent upon receipt by EPA and IDEM of the payment required by paragraphs 25 through 27 of this Consent Order. With respect to each Respondent, these covenants not to sue are conditioned upon the complete and satisfactory performance by that Respondent of its obligation under this Consent Order. These covenants not to sue extend only to the Respondents and do not extend to any other person.

#### Reservation of Rights

33. The covenants not to sue set forth in Section VII, paragraph 32, of this Consent Order, do not pertain to any matters other than those expressly specified in paragraph 32. The United States, including EPA, and the State, including IDEM,

reserve, and this Consent Order is without prejudice to, all rights against the Respondents with respect to all other matters, including but not limited to the following:

- (a) claims based on a failure to comply with any obligation established pursuant to this Consent Order;
- (b) criminal liability; or
- (c) liability for damages for injury to, destruction of, or loss of natural resources, or costs of response related thereto.

33. Notwithstanding any other provision in this Consent Order, the United States, including EPA, and the State, including IDEM, reserve, and this Consent Order is without prejudice to, the right to institute judicial proceedings or to issue an administrative order seeking to compel the Respondents, (1) to perform response actions relating to the Site, or (2) to reimburse the United States, including EPA, and the State, including IDEM, for additional costs of response, if information not contained in the administrative record for this settlement is discovered which indicates that any Respondent contributed hazardous substances to the Site in such greater amount or of such greater toxic or other hazardous effects that the Respondent no longer qualifies as a de minimis party at the Site because the Respondent contributed greater than 0.8% of the hazardous substances at the Site or contributed hazardous substances which are more toxic or are of greater hazardous effect than other hazardous substances at the Site.

34. Nothing in this Consent Order is intended as a release or covenant not to sue for any claim or cause of action, administrative or judicial, civil or criminal, past or future, in law or in equity, which the United States, including EPA, or the State, including IDEM, may have against any person, firm, corporation or other entity not a signatory to this Order.

Covenants by Respondents

35. Each Respondent covenants not to sue and agrees not to assert any claims or causes of action against the United States, the State, or their contractors or employees with respect to the Site or this Consent Order, including, but not limited to, any direct or indirect claim for reimbursement from the Hazardous Substance Superfund (established pursuant to the Internal Revenue Code, 26 U.S.C. § 9507) through Sections 106(b)(2), 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9611, 9612, or 9613, or any other provision of law, or any claims arising out of response activities at the Site. Nothing in this Consent Order shall be deemed to constitute preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

Effect of Settlement; Contribution Protection

37. Nothing in this Consent Order shall be construed to create any rights in, or grant any cause of action to, any person not a party to this Consent Order. The preceding sentence shall not be construed to waive or nullify any rights that any person not a signatory to this Consent Order may have under applicable

law. The United States, including EPA, the State, including IDEM, and the Respondents each reserves any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action which each party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a party hereto.

38. EPA, IDEM, and the Respondents agree that the actions undertaken by the Respondents in accordance with this Consent Order do not constitute an admission of any liability by any Respondent. The Respondents do not admit, and retain the right to controvert in any subsequent proceedings other than proceedings to implement or enforce this Consent Order, the validity of the Statement of Facts or Determinations contained in this Consent Order.

39. With regard to claims for contribution against each Respondent for matters addressed by this Consent Order, the Parties hereto agree that each Respondent is entitled, as of the effective date of this Consent Order, to such protection from contribution actions or claims as is provided by Sections 113(f)(2) and 122(g)(5) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(g)(5). Such protection with respect to each Respondent is conditioned upon that Respondent's having paid the amount required to the Trust Account in compliance with the terms of paragraph 26 or 27 of this Order and upon EPA's having received

that amount as part of the sum to be paid by the Trust Account pursuant to paragraphs 25 through 27 of this Order.

Public Comment

40. This Administrative Order on Consent shall be subject to at least a 30-day public comment period pursuant to Section 122(i) of CERCLA, 42 U.S.C. § 9622(i). The EPA may withdraw or modify its consent to this Consent Order if comments received disclose facts or considerations that indicate that this Consent Order is inappropriate, improper, or inadequate.

Attorney General Approval

41. The Attorney General or her designee has issued prior written approval of the settlement embodied in this Consent Order in accordance with Section 122(g)(4) of CERCLA, 42 U.S.C. § 9622(g)(4).

Effective Date

42. The effective date of this Consent Order shall be the date upon which EPA issues written notice to the Respondents that the public comment period pursuant to paragraph 40 has closed and that comments received, if any, do not persuade EPA to modify or withdraw from this Consent Order.

## APPENDIX 4

### PAYMENT FORMULA AND DATABASE

Site cost calculations considered all costs of response at the Site incurred and to be incurred by any person. Past costs are \$3,029,953, which include both U.S. EPA's past costs already incurred through January 31, 1994, projected costs of United States through the settlement date, past costs of the state of Indiana, and estimated costs by PRPs for RI/FS work. Estimated future costs for the Site are \$69,775,360. A premium of 100% (represented by a multiplier of 2.0) is included against the estimated future costs at the Site. This premium takes into account the possibility of cost overruns, possible future costs if the remedial action selected in the ROD is not protective of public health or the environment, and the fact that not all parties who sent hazardous wastes to the site remain viable to contribute to this settlement (these parties are sometimes referred to as the "orphan share.") Site costs (including premium) may be represented as follows:

$$\text{Site costs} = (\text{future costs} \times 2.0) + \text{past costs}$$

$$\$142,540,673 = (\$69,775,360 \times 2.0) + \$3,029,953$$

The settlement payment amount for each de minimis party (PRP), as listed herein, is calculated by multiplying the percentage of hazardous wastes sent by that party to the site by the total site costs listed above. In addition, certain PRPs have previously participated in the cleanup of the site as signatories to an administrative order on consent (AOC) to conduct the remedial investigation and feasibility study (RI/FS) for the site, U.S. EPA docket No. V-W-88-C-113. PRPs may deduct amounts equal to 71.6% of the amount they paid to participate in the AOC. This is the estimated share of RI/FS costs incurred by the PRPs which may be considered superfund response costs. In order to claim this reduction from the payment amount listed in this Appendix 4, a copy of the canceled check(s) documenting the payment(s) and a signed certification of the payment amount(s) must be included with both the submittal of the signature page and payment required to participate in this settlement. The formula for payment in this de minimis settlement is thus represented as follows:

Payment amount

$$\text{for each PRP} = (\$142,540,673 \times \text{percentage of hazardous wastes sent to the site by that PRP}) - 71.6\% \text{ of the documented payment required by AOC}$$

No. V-W-88-C-113.

In the event that the de minimis calculation results in a figure less than \$500.00, the de minimis settlor's financial contribution shall be \$500.00.

This de minimis settlement is available to those PRPs whose volumetric contribution to the site does not exceed .8% of the total volume of hazardous wastes sent to the site.

In calculating each PRP's percentage share, EPA considered the changing disposal practices at the site and reduced each PRPs gross volume of waste sent to the site based on the time period the waste was sent to the site. The gross volume of waste sent to the site by each PRP between 1955 - 1975 was reduced by 80% for all waste reclaimed by American Chemical Service (ACS) and 90% for all waste incinerated during this time period. During this time period, the percentage reductions were calculated as follows:

		<u>% Reclaimed</u>	<u>% Incinerated</u>
1955	- 5/31/66	100%	0%
6/1/66	- 12/31/67	50%	50%
1/1/68	- 12/31/68	35%	65%
1/1/69	- 12/31/69	25%	75%
1/1/70	- 12/31/70	10%	90%
1/1/71	- 12/31/71	5%	95%
1/1/72	- 12/31/75	0%	100%

The 80% and 90% reductions and the average percentage of reclamation and incineration during the above time periods were initially recommended to EPA by Clean Sites, Inc., a neutral party who evaluated site information in creating a database in 1987. During this time period, ACS directly landfilled hazardous wastes at the site.

The gross volume of waste sent to the site by each PRP between 1976 and November 10, 1980, was reduced 96% to account for changes in disposal practices during this time period. During this time period, ACS apparently stopped directly landfilling wastes at the site, but adjacent drum cleaning operations continued to dispose of hazardous waste at the site. The gross volume of waste sent to the site between November 11, 1980, and 1990 was reduced by 99% to account for changes in disposal practices during this time period. During this time period, spills of hazardous wastes continued to occur at the site, but fewer spills are believed to have occurred during this time period than during the prior time periods. These reductions in the gross volume of waste sent to the site are for de minimis settlement purposes only and are not to be construed as a limitation on the liability of any PRP at the site.

\* ANV - These generators appear not viable and unable to participate in an American Chemical Services Site settlement. They have sent waste to the site but have not been assigned a percent ranking because their volumes are not included in the total site volume. If these parties are later found to be viable, they may request a settlement with EPA.

\*\* BS - This party partitioned for bankruptcy and pursuant to its bankruptcy settlement with EPA it has resolved its liability at the ACS Site. The total past costs at the site have been reduced by the amount paid by this company.
